

QVD USA Judged #1 Farm-Raised Barramundi & Swai In America

**QVD Seafood Is Committed To One Thing:
Producing The World's Most Delicious Fish**

From the waters of the Mekong to the plates of our consumers, QVD is dedicated to being a leader in Pangasius and seafood products from Vietnam. That's why when it comes to raising, processing and packaging premium-quality fish, you can rest assured that they are involved at every step in the process.

BasaVina Pearl®

Tasty swai: a high-quality white fish with a mildly sweet taste.

BasaVina Ruby®

Premium CO-treated fillets.

Vina Blue®

Non-swai line of aquaculture products featuring delicious barramundi, which is a buttery white fish with a flaky texture and sweet flavor.
