

Go Fast! Sports Beverage Judged #1 Energy Drink In America

Go Fast Sports & Beverage Company offers the premium energy drinks on the market – with better flavor, more active ingredients, lower sodium and sugars and **NO PRESERVATIVES!**

Both **Go Fast Original** and **Go Fast Light** have a great taste without a medicinal flavor or aftertaste – they are lightly carbonated, refreshing and formulated with Australian Honey instead of high fructose corn syrup.

Go Fast's exclusive herbal blend is the same in both **Go Fast Original** and **Go Fast Light**, so they both offer a longer, smoother and more sustained energy boost than other high-sugar products on the market.

Go Fast wanted to create a product with the best ingredients, taste and performance in the category. Thus { **HYPERLINK** "<http://www.gofastports.com/drink/index.html>" } was created in conjunction with a team of specialists that created the perfect blend of ingredients, and Go Fast Sports & Beverage Co. grew into a new beginning.

Today, **Go Fast** remains dedicated to supporting people around the world who have a passion for living life a little on the edge - by creating brand-name apparel and products
