

Branding Iron Foods Judged #1 Hot Sauces In America

E.Z. Earl's all natural, award-winning, specialty hot sauces work well as cooking ingredients, BBQ sauces, hot condiments, taco toppers, grilling sauces, chili bean flavorings, Bloody Mary cocktails, and much more.

Blazin'-Hot® Sauce

This original E.Z. Earl™ family recipe is the sauce that for once and for all laid to rest the notion that the term "gourmet hot sauce" was an oxymoron. Blazin'-Hot® Sauce is produced from all natural, quality ingredients such as diced tomatoes, vinegar, pure Oregon field honey, filtered and purified water, rich brown sugar, hot horseradish, and more, all combined with a secret blend of twelve herbs and spices.

Smokin'-Hot® Sauce and Spicy-Hot® Sauce

These slightly milder versions of E.Z. Earl's Blazin'-Hot® Sauce are a testimony to Branding Iron's commitment to customer service. At the request of many less adventurous consumers who were flattened by the Blazin'-Hot® Sauce extreme heat, E.Z. Earl developed Smokin'-Hot® Sauce (1/2 the heat) and Spicy-Hot® Sauce (1/3 the heat). These two new sauces represent the same all natural gourmet flavor and rich aroma, but are slightly milder heat levels.

Introducing the fiery-hot sauces that for once and for all lay to rest the common notion that "gourmet hot sauce" is an oxymoron. Blazin'-Hot, Smokin'-Hot and Spicy-Hot Sauces deliver an up-front gourmet flavor followed by an exquisite burn.

As E.Z. Earl™, the creator of this line of marvelous sauces, is so fond of saying: *"Heat is neat, but to endure the pain of the burn without experiencing the accompanying pleasure of rich flavor is purely loco!"*
