JIFFY MIXES **MUFFIN MIXES**

In 1930, Mabel White Holmes created “JIFFY” Baking Mix, America’s first prepared consumer mix product. She would always say, “It’s so easy even a man could do it.” Today, there are 21 retail products for consumers. “JIFFY” Corn Muffin Mix is America’s favorite muffin mix. Chelsea Milling Company has milled flour in Chelsea for over 120 years and is a complete manufacturer. They store wheat, mill it into flour and use that flour for their own mixes. They even make their own “little blue” boxes. They do it all—that’s why their mixes provide the best possible value. Value is using the highest quality ingredients and the best price!
